INTERTEX

HOSTED BUYERS PROGRAM

The Hosted Buyers Program organized by B Group US aims to ensure the presence of leading buyers with decision-making capacity, with a specific interest in the Portuguese textil market.

Through this program we support this buyer's coming, providing special conditions: transport discounts, accommodation, transfers, possibility of scheduling meetings, participation in the pre-defined social program, as well as monitoring during the days of visiting the event.

Joining Intertext Portugal as a Hosted Buyer is an extremely efficient and fast way to search and increase your reliable and high level internacional suppliers network. Take the maximum advantage of all the extra benefits included in the program and enjoy exclusive networking events.
